Mr John Sampson  
7940 Pacific  
Omaha 6, Neb.

Dear John,

Thank you very much for your recent letter confirming the fact that you received an audible signal of our special DX program of March 26th.

Possibly you might be interested to know that we also received reports from N. Y., Tenn., Okla., and San Francisco, to mention the more distant points, so all in all we considered the whole thing a successful bit of fun.

Regards,

  
Ralph R. Hughes
