Dear Sir:

It gives me great pleasure to answer your letter of the 22nd of July, pertaining to your reception of our station.

On checking our logs for that day, I find that we had the program scheduled as you have indicated.

We operate on 1510 kc with a power output of 250 watts.

Thanking you for your letter and information as to the reception of our station, I remain

Very truly yours,

Kenneth O Krueger
