Dear Mr. Sampson:

Better late than never, but this will serve to verify your reception report for WKMI on August 7, 1954 from 4:03 A.M. to 4:25 A.M. Central Standard Time. At the time of your reception we were operating with 5,000 watts under program test authority prior to receiving our license for operation with 5,000 watts. Perhaps you know of other DX fans who might possibly like to log our station. We are programing from 5:00 A.M. in the morning to 2:30 A.M. The following morning Eastern Standard Time. We would like to hear from as many DX Fans as possible so you can pass the word along if you wish.

Thank you very much for your reception report.

Kenneth Farrance
Chief Engineer
