RADIO STATION WKOZ
KOSCIUSKO, MISS.

Dear Sirs,

Several months ago, I wrote a letter to WKOZ reporting reception of your station from Omaha. As I have not as yet received an answer, & would prize one very much, I am taking the liberty of again writing & requesting a verification of reception.

I heard your station on December 22, 1955 broadcasting the following programs on a frequency of 1350 kc from 5:29 A.M. to 5:35 A.M. (CST)

- 5:29-5:30 ad for '56 Chevrolet
- 5:30- Station I.D.
- 5:30-5:32 Song by the Collins Kids
- 5:32-5:35 Song - "Hey Porter"
- 5:35- Song (unidentified)

There was heavy QRM, which made it quite difficult to hear WKOZ. Your signal was S-3 when you were on top.

I heard your station from Omaha, Nebraska (where I live while not attending Carleton College here in Northfield) & used a Hallicrafters S-53 A receiver with 29 foot long wire antenna.
