

This is to verify your report of reception of WMOH on 1450 KC with 250 Watts.

MOH maintains Hi-Fi, equal to FM -- flat from 30 CPS to 15,000 CPS.

Our Xmitter is remote controlled from our studios in the Second National Bank Building.

Transmitter is located on Route 4, two miles north of Hamilton and tower is 352 feet with A Collins 300 G Xmitter.

Good DXing,

R. Plessinger
