Dear John:

This letter will verify your reception of WRFD between 4:48 and 5:00 AM, C.S.T. on Wednesday September 11, 1957. Your report and our logs are in agreement.

WRFD uses an R.C.A. BTA5F transmitter, a 1/2 wavelength tower, Western Electric consoles and Presto turntables.

Thank you for your report and may you have good luck in logging many more stations.

Sincerely,

Harold D. Schaaf, C.E.
