Dear Mr Sampson:-

This will confirm your report of reception of WRUF, "Radio University of Florida."

Your report of program is essentially correct.

Our sign on time is 0530 E. S. T. and we are normally operating non-directional at that time.

Our night-time pattern would be of no interest to you as you are located in the null which protects KOA.

Very Truly Yours.

Bertam M. McNamee
Chief Engineer.
