Dear Mr. Sampson:

Thank you for your letter of a few days ago. We regret that for some reason, unknown to the writer, that your April letter was not answered.

Your logging on April 1, 1956, from 4:31½ to 4:45 a.m. was correct.

Within the next few days we shall convert to 5,000 watts and this should certainly improve reception.

Wishing you the best for the New Year.

Sincerely yours,

Radio Station WSEV
