Dear Mr. Sampson:

I regret the delay in acknowledging your report on our frequency check and equipment test on Dec. 22, but my wife's mother has been in the hospital with a cancer operation, and I returned only yesterday from there.

Your report is correct, and I am glad you were able to pick us up. This morning from 3:00 to 3:30 CST we conducted a special thirty minute test for the benefit of the DX fans. Hope you may have picked us up.

Thanks again, and we shall be glad to hear from you at any time.

Sincerely,

Clifford Spurlock
