John Sampson
102502 N. Heamosillo Drive
Sun City West, AZ 85375

Dear Mr Sampson,

This letter is to confirm your reception of KCKN on Tuesday,
April 27, 1999 from 8:58pm to 9:06pm MDT.

KCKN operates on 1020 khz with a power output of 50,000 watts day and
night. We use directional antennas at all times.

The Spanish speaking station you heard was probably KTNUQ, Los Angeles,
which is also on 1020 khz with 50,000 watts.

More information on KCKN is available on our sister FM station's
website at the address below.

Don Niccum, Chief Engineer
KCKN
