Fr: Dave Dart

Re: DX Report

Mr. Sampson,

Please accept my apologies for my predecessor's failure to respond to your DX Report of November 14, 1996. I recently joined KENN as Operations Manager and in reviewing the files discovered your report. While I was not with the station at the time of your report, it appears that your information matches programming aired on the station.

Thanks again for your report.

Dave Dart
Operations Manager
