RE: Confirmation of Reception

Dear John:

Thank you for your letter asking for confirmation of reception of Keri AM 1180 on January 7, 2003 from 5:20PM to 5:31PM.

It was in fact Keri AM 1180, Family Talk Radio that you were listening to on January 7, 2003 at the above time mentioned. At that time, Keri was in nighttime pattern, at 10,000 watts.

It is very exciting when Keri receives these reception reports from many, many miles away.

Thanks again,

KERI STAFF
