Dear Mr. Sampson

Thank you very much for your signal reception report. I am pleased to inform you that we can confirm your reception of KFWB on January 7, 1998 from 9:54pm to 10:01pm hours. KFWB is licensed for 5,000 watt non-directional operation for both day and night.

KFWB was first licensed in 1926 to Warner Brothers, hence the 'WB' in our call letters. We are now part of the CBS broadcasting world. KFWB is celebrating its 30th year as an All News station in 1998. We want you to know that we value all our listeners, even those like you who tune in from distant places.

Again, thanks for your report.

Sincerely yours,
