

May 8, 1998

Dear Mr. Sampson:

This is to confirm your reception report of April 21, 1998 between 4:01 PM and 4:21 PM Mountain Standard Time. The program details included in your report are accurate. Thank you for tuning our station in.

The transmitter for KGME is located near the Southeast corner of the intersection of 75<sup>th</sup> Ave. and Camelback Road in Phoenix, Arizona. At the time of your reception KGME was operating at 5 kW non-directional.

Sincerely:

A handwritten signature in cursive script that reads "Charles Beck".

Charles Beck,  
Chief Engineer
