Dear John N Sampson:

You and your Collins UR388 are doing well.
We gladly confirm your reception of KIKO AM, on the morning of 10/4/96, from 8:27A to 8:47A. Your reception is confirmed, and it's pretty commendable. We've gotten request for other verficiations from all over the country, but yours is the first from Sun City.

Keep up the good work.
