Mr. Sampson,

Greetings from deep south Texas! I received your letter today detailing your reception of one of our radio stations on the morning of April 2, 2005. You were indeed listening to KBUC, Real Country. We broadcast on both AM and FM and you were picking up our AM signal on 840 kHz that morning, the call letters of which are KVJY. The transmitter is located in Pharr, Texas.

I have enclosed a bumper sticker of the station along with this letter. And as we tell everyone who happens to tune us in, "Thanks for listening!"

Sincerely

Jeff Koch
