Radio Station KNNZ:

On Thursday, February 3, 2005, from 5:45 PM to 6:00 PM (Mountain Standard Time), it was my pleasure to monitor a portion of the transmissions of KNNZ on 940 kHz from my location, which is about 20 miles northwest of Phoenix. As proof of this reception, I offer the following listing of items I heard;

- 5:45 When I tuned in, the Laura Ingram show was in progress (there was a break in the show, followed by a series of non-local ads
- 5:52 Announcement ("It's a constant information download, news radio 940, KNNZ"); your signal faded almost immediately after this announcement
- 5:58 As you became audible, I believe that an ad for a Mortgage Company was just ending, this was followed by an ad for automobiles at Bradshaw
- 5:59 Ad for Bill Henry, weeknights at 7 on KNNZ
- 6:00 Station ID and start of a news cast

I used a Hammarlund HQ-129-X receiver with an amplified, rotatable and tiltable ferrite rod antenna to receive KNNZ. Your signal was very strong when I tuned in at 5:45 but gradually deteriorated, faded after the announcement at 5:52 and returned, but very weak before the 6:00 complete fadeout. There was interference from several Spanish language stations, also.

On the basis of the above details, I wish to request a brief letter confirming the fact that I indeed received your station's signals. I collect these letters as a hobby and have some 3000 at present. I would greatly appreciate a letter from KNNZ to add to my collection.

A brief statement on the KNNZ letterhead to the effect that I heard KNNZ's transmissions on February 3, 2005, would be ideal for my purposes. For your convenience in replying, I have enclosed a self-addressed, stamped envelope.

Many thanks in advance for your time, consideration and assistance. I hope that this report has been of interest to you and I will be looking forward to a confirmation.

Yours truly,

John N. Sampson

Please forgive the informality of this response. I have included a copy of the KNNZ log for your records (FEB 3, 2005) for you records (940) Cedar City, UT. We often fill PSA spots with local commercials. Sorry this is so late. I just found Paul's file it on my boss' desk
