Dear Mr. Sampson:

Congratulations! This letter is to confirm that you received a portion of KNZZ AM 1100. G. Gordon Liddy is one of our “super stars of talk radio” on newsradio 1100 KNZZ. We apologize for not confirming your signal reception earlier, as we simply loose some requests in the shuffle.

It is always a pleasure to hear from radio enthusiasts around the world. Last week we received letters from Norway and Finland from listeners. They were using materials from around the garage to capture signals when they came across KNZZ. I guess you could say it is a small world after all.

If you would like a segment of our shows on a taped copy John, please send a blank tape and proper postage. I would be happy to assist you in getting some clear segments for your extensive library.

Again, congratulations on receiving our signal. I have included a couple of our KNZZ bumper stickers for your collection. Have a great day!

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Carl Swan'.
