

3580 Wilshire Blvd., Los Angeles, CA 90010

To: John Sampson

We are pleased to confirm your reception report of KRLA, on April 24, 1998 at 6:22-7:10 PM PDT

KRLA serves the greater Los Angeles, California area. We broadcast from our transmitter site in Irwindale, California with a daytime power of 50,000 watts and a nighttime power of 20,000 watts. KRLA employs a five tower antenna system to generate different directional patterns for day and night.
