Dear Mr. Sampson:

As a thirty-year radio veteran, it was a delight for me to receive your letter, since true "Dxers" are not as common as they once were. I could almost make a hobby out of collecting the letters I have received from various "accidental" listeners over the years, ranging from Anchorage to Australia to Rio, often as the result of the most unusual hops of very limited signals.

I'm glad to confirm that you indeed did receive KTKP on January 18, 2000, and we're happy to have you as a listener anytime. I wish our regular audience worked as hard as you do to pick us up. I also wish they were as conversant on our daily schedule as you seem to be!

Thanks for the letter, and have a wonderful new year (and/or century!)

Sincere best wishes,

Michael A. Perkins
