

22 December 2003

John N. Sampson
14809 West Arzon Drive
Sun City West, AZ 85375

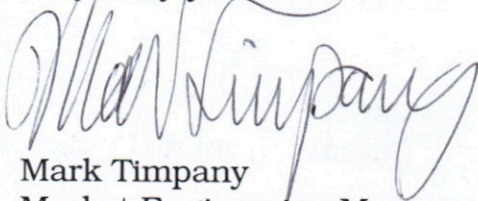

Dear Mr. Sampson,

Let this letter serve to confirm your reception report of KTZR (AM) of 15 December 2003 for the period from 1:54 to 2:26 PM Mountain Standard Time. Your reception report clearly indicates that you were receiving KTZR from your location northwest of Phoenix.

KTZR operates fulltime on 1450 kHz with a power of one kilowatt. The station is non-directional. Transmitter site is in Tucson at 1775 South Cherry Avenue. Studios for this station and the other Clear Channel stations in Tucson are at 3202 North Oracle Road.

Thank you for the reception report.

Very truly yours,

Mark Timpany
Market Engineering Manager
