Radio Station KXEG:

On Friday, November 30, 2001, from 12:25 PM to 1:00 PM (Mountain Standard Time), it was my pleasure to monitor a portion of the transmissions of KXEG on 1280 kHz from my location, which is about 20 miles northwest of Phoenix. As proof of this reception, I offer the following listing of items I heard:

- 12:25 Program, "Standing on the Promises" in progress
- 12:29 Announcement, including a word of thanks to National Fire Control for sponsoring the program
- 12:30 Station ID ("You are tuned to KXEG, the spirit of 1280, the station where you listen to learn, now available on the world wide web at KXEG1280.com") and start of the program "Heartbeats"
- 12:58 Announcement concerning Celebrate Single Sunday at the Pure Heart Christian Fellowship
- 12:59 Announcement that December 14 is the last day for inclusion in the 2002 Edition of the Christian Business Directory
- 1:00 Announcement ("The spirit of 1280 where you listen to learn, this is KXEG, Phoenix") and start of a program from the Southwest Radio (missed this part) Ministries

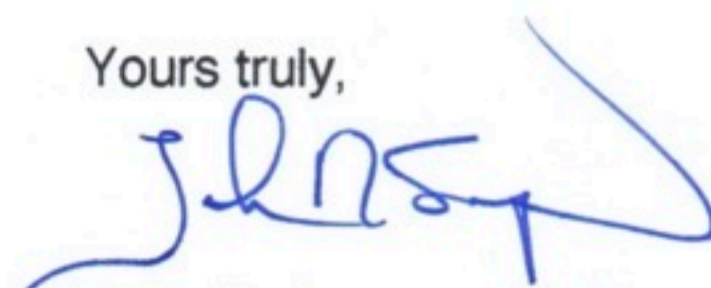

I used a Drake R8B receiver with two foot amplified loop antenna to receive KXEG. Your signal is quite strong here during the day with no interference.

On the basis of the above details, I wish to request a brief letter confirming the fact that I indeed received your station's signals. I collect these letters as a hobby and have some 3000 at present and am endeavoring to confirm all local stations. I would greatly appreciate a letter from KXEG to add to my collection.

A brief statement on the KXEG letterhead to the effect that I heard KXEG's transmissions on November 30, 2001 would be ideal for my purposes. For your convenience in replying, I have enclosed a self-addressed, stamped envelope.

Many thanks in advance for your time, consideration and assistance. I hope that this report has been of interest to you and I will be looking forward to a confirmation.

Yours truly,

John N. Sampson
