Dear Mr. Sampson:

We are pleased to learn that you heard the City of Burbank's Emergency Information Radio Station on 1620 kHz AM on September 17, 1997. The purpose of this station is to provide life saving information to Burbank residents following an earthquake or other disaster. The transmitter is at our Emergency Operations Center, 1845 N. Ontario Street in Burbank, CA (34-11-12 W; 118-20-39 N). The antenna is a folded unipole.

Thank you for providing the Burbank Fire Department with your report.

Sincerely,

Richard J. Baenen
Disaster Services Coordinator
