Dear Mr. Sampson:

This will confirm your reception of WQO767 broadcasts on 1640 kHz and 1680 kHz on February 23, 1997, WPLR660 on 1680 kHz on February 28, 1998, and WPLR660 on 1640 kHz on November 1, 1998.

Thank you for your letter as it is always nice to hear the reaches that our stations are hitting. If in the future I may help you out with any further information, please let me know.

Sincerely,

Karl W. Krebs
