The City of Toronto, with a population of over 900,000, is the capital of the Province of Ontario. The Province is famous for its holiday playgrounds, fishing, hunting, boating and camping. The heart of finance and industry.

Dear Mr. Sampson:

Thank you for your fine report on our transmission on 15 March 53. Fading was probably due to a varying skip; since reception in your local would be sky wave.

Yours truly,
HARRY SEDGWICK,
President.
