

CHAM/1280

HAMILTON'S GOOD MUSIC STATION

This is to verify your reception of CHAM RADIO
at the time stated in your letter of *January 20th, 1969*.

CHAM transmits on 1280 K H.Z. with a power of
10,000 Watts from a site on Twenty Road, south of
Hamilton.

Both day and night time radiation patterns are directional
from a six tower array.

CHAM Studios and offices are located in the heart of
Downtown Hamilton, in Terminal Towers at 115 Main
Street East.
