Radio Station WBRM

Marion, North Carolina

Gentlemen:

I am pleased to report reception of your station on Tuesday, May 5, 1970
from 8:29 1/2 PM to 8:30 PM Eastern Daylight Time on 1250 kcs.

Items and announcements heard on this broadcast are as follows:

8:29 1/2 As you faded in, the following sign on announce-
ment was in process - (the "... " indicate portions
of it that I was unable to hear well enough to copy)
I used a tape recorder -

"... in Eastern America where ... spreads
shadows over the blue ... WBRM operates
on a frequency of 1250 kcs. with a power of
1000 watts as authorized by the F.C.C. WBRM
will return to the air tomorrow morning at six
o'clock, at which time, will present the ...
news, public service & entertainment. Join us
then, won't you. This is Jim Morris(?) on behalf
of the entire staff of WBRM wishing you a
very pleasant good evening & good ...

VERIFIED 5/7/70
Frank Russell
WBRM RADIO
MARION, N.C.

8:30 Several hours of "God Bless America" were played &
you left the air

Receiver: Hammarlund HQ-180A Signal strength: Quite good once
Antenna: 4 1/2 foot loop
Interference: Heavy from WTAE & several others } you faded in, esp. for the spots I
Atmospheric noise: None Fading: as noted Readability: couldn't under-
Temperature 65 degrees. Weather clear } stand.

I shall be pleased to hear from you in reply to the above report, and to receive a
letter of verification of my reception for which RETURN POSTAGE is enclosed. Sincerely
thanking you, I am

I was most on your WBRM
happy to hear relettered, if
WBRM. I've been trying for you for possible
quite a while & hope my report - the brief - will warrant a verifi-
cation of reception. Many thanks!
Very truly yours,
John Sampson
