Winston-Salem,  
North Carolina - 2710

This will serve to confirm your reception of WBUY.

Monitoring Report for Radio Station WBUY on 1440 kHz.

Date TUESday November 16, 1971 Monitoring period 12:09 AM to 12:20 AM Eastern Standard Time

It was my pleasure to monitor transmissions from your station during the above period. As proof of reception I offer this log of items heard:

- 12:09 Bulletin Board (in progress)
- 12:10 ad for Davis Chevrolet in Lexington
- 12:11 Announcement of the time & music on "Melody Parade" continued with the song - "Call Me"
- 12:13 1/2 Ad for The National Realty Co.
- 12:14 Ad for Parker Miller Jewelers
- 12:15 Song
- 12:18 1/2 Announcement of the time & ad for the Bargain Center
- 12:19 ad for Salem House Manufacturers
- 12:19 1/2 Music
- 12:20 Announcement of the time & local & area news, presented by Peoples Insurance Agency & Peoples Finance.

On the basis of the above details, I wish to request a brief letter confirming the fact that I have received your station's signals. I collect these letters as a hobby and would be most pleased to add your confirmation to my collection. For your convenience in replying I have enclosed return postage. Thank you for your time and consideration. I hope this report has been of interest to you.

*I'd appreciate a confirmation on your letterhead, if practical, as well as a copy of your coverage map or other easily available information concerning your antenna pattern. Do you put a null towards Winston-Salem at nite? I cannot hear you once you go directional*

Technical Information

*The self-addressed, stamped envelope*

Sincerely,

*John Sampson*

Receiving equipment: Hammarlund HQ-180-A receiver ; 4 1/2 foot loop antenna (loop antenna gives excellent directionality-enabling nulling of dominant stations)  
Interfering stations: None - you put a good signal in here during the day (2m on the extreme north west corner of town.)  
Reception conditions: Normal - nice clear weather & about 70°
