John,

Thank you for your note of the 27th. It's great to know that we even have an occasional listener in good 'ole North Carolina. This is to verify that you did indeed hear W D V H on Sunday, April 27, 1970, between 7:48P.M. and 8:00P.M. Eastern DST.

The time you mentioned was during the Brooke Williams Show, and Brooke often refers to his show as the "Williams Show", as you indicated.

I'm an electronics bug too, and I note that for a short time anyway, wW D V H was shaking the speaker on a fine piece of gear. Keep up the good work with your Hammarlund, and spread the word that we will answer all QSL's.

Just an added thought...you may be interested to know that as of May 1st, W D V H will be Gainesville's only Country and Western station. We will change our format on that day.

Luv,

Mel Turner
