Dear Mr. Sampson:

Thank you for your letter of last week in regard to receipt of our broadcast signal. The sign on and the announcements which you indicated for November 20, 1969, are correct for the format for that date.

Sorry about the first letter you wrote and was not answered; apparently it was mislaid.

Thank you for your interest in broadcasting, and please let us know if we may be of further service to you.

Sincerely ,

Major Marshall
