THE TRI-STATE AREA'S BIGGEST COVERAGE STATION

September 25, 1972

John Sampson
Cedar Lake Ct - Rt. 2
Kernersville, N.C. 27284

Dear Mr. Sampson:

This is to verify your reception of WFRB on September 21, 1972. As was indicated in our sign-on announcement we were transmitting with a power output of 500 watts, at that time.

Our tower is 343 feet high atop nearly 3000 foot Savage Mountain about 15 miles west of Cumberland, Maryland.

Good Listening,

Ken Adams
