Dear Mr. Sampson:

This letter confirms your reception report of WHIP on Sunday 1 December, 1968. Checking your report against our "air-check" taped record of the 1:18 P. M. to the 1:34 P. M. portion of our broadcast day has caused some delay in answering your verification request. Also, you had requested that verification be by letter on the station letterhead stationary. This has caused an additional delay as we had exhausted our verification stationary of our Engineering Department.

Thanking you for your report and patience, and in your interest in WHIP.

Sincerely yours,  
  
Ed Stanton
