WRKB Radio Station
Kannapolis, N.C.

Dear Mr. Sampson,

I want to apologize for the delay in responding to your request for confirmation of station reception. Just after your request was received, I left WHVN for my present position at WRKB in Kannapolis.

A certain amount of confusion followed, but I wanted to let you know your reception on 11-4-72 was clear and correct. You can, therefore, add WHVN to your station collection. Hope your move was satisfactory and "good receiving!"

Sincerely yours,
Ken Smith
