Dear Mr. Sampson:

Thank you for your recent report of reception of W J A X. Please consider this as confirmation of your report.

W J A X and W J A X FM are both owned and operated by the City of Jacksonville, with studios and administrative offices at 225 Coast Line Drive, West. We are one of the two municipally owned stations in the country. Our AM facility operates, as you know, on the frequency of 930 kHz, with a power of 5,000 watts. W J A X FM operates in stereo, at 95.1 mHz, with power of 100,000 watts. Both stations operate 24 hours a day.

Again, thank you for taking the time to write us. And, the very best personal regards.

Sincerely,

Don Preston
Operations
