Mr. Sampson, I'm sorry our answer to your letter went astray. We remember answering it as Mrs. Byrd helped us look it up and mentioned this to us this morning, when your letter arrived. The attached copy seems to fit our program for that portion, with the exception that it was Songs Of Faith...in ~~stead~~ of Solace. Thank you for writing us, and tuning in. I'm sure this diversion must be interesting for you. We appreciate your interest, and stop by when you are in this area.

Thanks again.

Mrs. Tommye Wallace, Prog. Dir.
