Dear John:

This letter is to verify your reception of radio station WKCM Hawesville, Kentucky, operating with the power of 500 watts at 1140 Kilohertz on October 25, 1972.

Thank you very much for your verification. Perhaps sometime in the future you might pick up some of our frequency measurements.

We plan to go on the air sometime during the first week of November.

Cordially,

Earl Brown
Chief Engineer
