Dear John:

Thank you very much for your letter dated October 12, 1968, concerning reception of WKDE on the same date. This is to advise you that we were on the air and the announcements mentioned in your letter were made over WKDE.

Concerning our antenna system we are a non directional station.

I thought you would like to know that we also own 3 other stations with a couple being close to you. Our other stations include WHEO, Stuart, Virginia; WAKS, Fuquay-Varina, North Carolina and WDAR, Darlington, South Carolina.

Again thanks for your interest. If we may be of further assistance please let us know.

Very truly yours,
ALTAVISTA BROADCASTING CORPORATION
