John:

This is to acknowledge your reception of W K R K radio on Tuesday October 19, 1971, from 6:02 AM till 6:03 AM. We are on reduced power of 500 watts at that time in the morning. We are having some trouble with our second harmonic getting out so if you happen to be ~~tuning~~ tuning around 2640 KC and hear us, please let us know.

Yours truly,

  
Jim Foust  
Chief Engineer
