Dear John;

This is to confirm your receiveing WKSJ janyuary 23, 1969
9:38pm to 9:49pm central standard time. The programs you
logged checks with our log at that time.

The program you heard at 10:00pm could have been us we
have a religious type program from 10:00pm to 10:05pm
and sign off at 10:05pm.

We are 1000 watts day. 1000 watts night. We are directional
at night and our pattern runs east and west with very little
radiation in the north and south direction.

Our pattern is like this.

Sincerely yours,
Harold Starks
