Winston Salem, N.C. 27106

Dear Sir:

This is to verify your reception report of 6-26-69.

We are on at night (began January 6th) 500 watts
directional toward Lebanon, Pennsylvania.

I checked with the engineer and he said we switched
at 8:45 PM, so you was surely getting the directional
signal.

Sincerely,

Radio Station WLIK

Dwight D. Wilkerson
