Mr. John Sampson
4148 Wycliff Drive
Winston-Salem, N. C. 27106

Dear Mr. Sampson:

This will thank you and confirm your readings of our station on Saturday, February 1, 1969.

We have both AM & FM...and have 5000 watts non directional on AM during the day. We reduce our AM power at local sunset to 1000 watts directional.

Sincerely,

Madelyn Y. Patton
Program Director
