934-7161

January 6, 1970

John Sampson  
4148 Wycliff Dr.  
Winston Salem, N.C.

Dear John,

This is to verify that you did receive our programming on the day specified. We are glad to cooperate in this verification.

WMPM is a 5000 watt station on a frequency of 1270 and has been picked as far away as Pennsylvania back in 1967.

Yours Truly,

Gene Clifton  
Program Director
