Thank you for your monitoring report of Radio Station WSIB.

This is to confirm the fact that you did hear WSIB, 1490 Kcs. sign on the air Sunday, March 14, 1971, from Beaufort S.C.

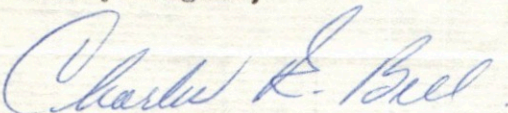

WSIB signs on the air at 5:20 Am with 250 watts, increases to 500 at 6:30AM, weekdays. Sundays we sign on at 6:30 with 500 watts.

Ours is primarily a rock station, with a seventeen hour a day operation, serving the Beaufort area.

Our programing is to the military(Air Station) and (Parris Island) the "young", and the negro.

Should you visit Hunting Island again, feel free to stop by and visit us!The weather is extremely nice here now... the azalias are beginning to bloom, and "Spring" i hope is just around the corner for this area.

Thank you again,

Charles E. Bell/ President/ Owner Radio Stations WSIB, Beaufort, S.C.
