December 8, 1968

Mr. John Sampson,
4148 Wycliff Drive,
Winston-Salem, N. C.

Dear Mr. Sampson,

Thanks for the report on WSLs-AM signal. You asked about our operating hours. We are on both day and night (24) hours with the exception of Monday Morning from midnight until 5:00 AM. It is during this time that we do the needed maintenance on the transmitter.

Our operating power is 5 KW day time and 1 KW nighttime.

Sincerely,

W. S. Eanes, Engineer on duty

ROANOKE, VA.
