Dear Mr. Sampson:

This is to verify your reception of WTNT on July 27, 1969.

Glad to hear from you. Maybe you could pick up our FM station, WOMA, 94.9, 51,000 watts. WOMA programs country-western music and runs 19 hours a day.

By the way, do you happen to know Ken Hopkins. He is a real radio club buff and has quite a stack of stations he's picked up. I believe he was trying to form some type of club several years ago himself.

At any rate, thanks for your note.

Sincerely,
