Dear Mr. Sampson:

I have the pleasure to send you a letter of verification for January 23, 1969.

WVOW operates 5000 watts, non directional antenna day and 1000 watts directional antenna at night. There are four towers used in the directional system.

Mr. Sampson if there is any other information you might need about our station, please get in touch with me.

Regards,

David L. Vargo
