Hi:

It was just a pleasure to receive your letter about monitoring our station. Looks to me like you have a perfect record, most of the time we carry T-N news from 2:55-3pm but there was a ballgame on T-N network at this time. The announcer at that time gave North Carolina headlines.

It was a pleasure to hear from you. Thanks for tuning in. I have the Buckin' Bill show regularly at 10am-1pm each week day, due to an absence in the staff, I am on from 6am-1pm. So tune in any time. We'll appreciate it.

We began broadcasting May 22, 1968.

Cordially yours,

William R. Miller
Chief Engineer
