Your report of 27 August 1970 has been verified. Our program log shows essentially the same schedule which you reported.

WYRU has been on the air since 15 June 1970. Our power is 1,000 watts, 500 watts during critical hours (two hours after sign on and two hours before sign off). Our antenna is a 100 foot series excited tower.

Thank you for your report.
