Dear John:

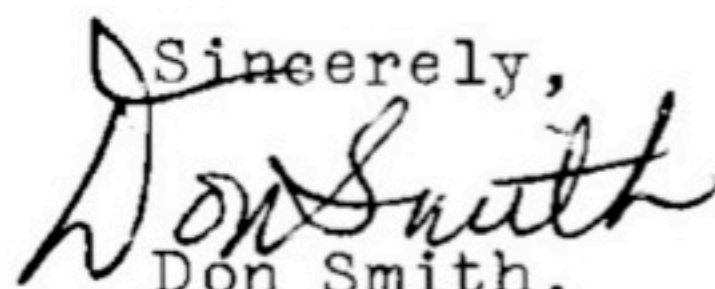

This will acknowledge reception of Radio Station WZOO in Winston-Salem on Saturday, May 15, 1971.

All reported data has been verified in a check with our program log for that day.

WZOO operates with a power of 1,000 watts, utilizing a directional pattern basically SOUTH of Asheboro. At the moment, coverage maps are not available.

WZOO began operation Monday, May 3, 1971 at Noon, and programs Top 40, Oldies, and a full schedule of news, public affairs, and entertainment to a wide area of Piedmont North Carolina.

An invitation is always out for DX'ers to visit us when in our area. Thank you for your letter.

Sincerely,

Don Smith,
General Manager
