P.O. Box 2569

We are in receipt of your appreciative letter. KTNN is without a doubt, the most exciting, adventurous undertaking, the Navajo Tribe has engaged in. The pride and inspiration that KTNN has instilled in all of us is especially rewarding when we hear from you. Your acknowledgement of the first original 50,000 Watt Native American owned radio station, KTNN is greatly appreciated.

Currently, KTNN is broadcasting 24 hours a day, seven days a week. KTNN is the largest Native American Station in the world, with programming in the Navajo and English language. We program in the Navajo language from 5:00 a.m. until 12 noon and the English language from 12 noon until 12 midnight. We have a truckers program from midnight to 5:00 a.m. Our music format is Country and Western from 5:00 a.m. until 12 midnight.

Enclosed, please find a copy of our day-time/night-time coverage area and a KTNN Bumper Sticker.

Again, thank you very much for your most welcomed letter.

Sincerely,

  
Freddie Howard
